Salt Cheap Application for Contractor Account

Thank you for your interest in partnering with Salt Cheap as a contractor. We pride ourselves in providing quality products and services in a timely manner to our contractor partners.

We reserve the right to investigate each partnership and approve or deny applications as directed by our findings.

Contractor rates apply only to products used for your clients' jobs, and can only be used by you and the staff that come to get products for jobs. We encourage your clients to shop our store and pick out their products, however, they cannot purchase under your account. Those prices are reserved for you only.

Contractor Program Terms & Expectations

By signing, the applicant understands and agrees:

- Contractor pricing is based on **verified business status and annual purchase volume**.
- Contractor status is **reviewed annually**.
- Discounts apply to designated contractor materials.
- All invoices must be paid according to agreed terms.
- Overdue accounts may result in suspension of contractor pricing and/or charging privileges.
- Perishable products (including sod, trees, bulk materials, and special orders) must be picked up as scheduled.
- Salt Cheap reserves the right to modify or revoke contractor status at its discretion.

Pickup & Communication Policy

- Customers are responsible for arranging pickup of ordered materials.
- Salt Cheap will attempt contact when required; however, missed communication does not extend holding periods.
- Perishable materials are non-refundable once delivered.
